This is on Arthington Road (A659) at the bottom of Pool Bank just off the A658 road between Bradford and Harrogate.

CBPS (Yorkshire Group)

The Yorkshire Group of the Chinese Brush Painters Society was relaunched in February 2006 to:

- provide a focus for all who are interested in Chinese Brush Painting using traditional techniques and materials
- arrange painting workshops with Chinese and other experienced tutors
- provide information and assistance to all members on aspects of Chinese Brush painting.

As of the end of 2022, membership numbered 120+ with members coming from all over the north of England, and even Canada and the USA. Membership is not restricted to Yorkshire residents.

The Group aims to meet monthly for a painting workshop. These workshops usually take place at a weekend and may be 1 or 2 days in length (with the option to attend only 1 day) and are led by an experienced tutor. All workshops are suitable for both beginners and experienced artists.

The workshops usually run from 10 am to 4 pm so that it is worth the long journey that some members have to travel.

A newsletter is circulated to all members after workshops (about 10 pa). This contains instructions for painting, information on any exhibitions or appropriate events, photographs of members' paintings, information from the workshops, details of forthcoming meetings, articles – in fact, anything that is of interest to members!

A small annual membership fee is charged. Members then choose which workshops to attend and pay the appropriate fee, ranging from £15 to £20 for a full day's session. For 2023, the fee for membership of the Group is still £5 pa with all communications by e-mail. (If you do not have an email address, please contact Anne.)

Members joining after 30 September only pay the membership fee for the following year.

If you would like further information before joining, see our website at: www.cbpsyorks.co.uk or contact Anne Allan (Secretary) (mail@cbpsyorks.co.uk), 01422 368482.

So if you are keen to try your hand at this style of painting – come and join our friendly group!

Data Protection - Your personal details will be stored on a computer database for the efficient running of the Group and will not be disclosed to anyone outside the Group in line with our Privacy Notice, a copy of which can be viewed from the Home Page of our website. As soon as your membership ceases, the information will be erased from our database. Please see overleaf for a form on which you can give your consent for us to store your details and to communicate with you.
